ANUSARA KARUNARATNA

UNDERGRADUATE

✉ anusarakarunaratna@gmail.com   📞 +94719044433   in linkedin.com/in/anusara-karunaratna

Motivated undergraduate software engineering student with a strong passion for coding and problem-solving. Proficient in Java, Python, and HTML, I am eager to apply my skills and learn in a real-world software development environment. I thrive in collaborative teams, possess excellent and adapt quickly to new challenges. I am seeking an internship opportunity to contribute effectively to innovative projects while enhancing my expertise in software engineering.
